## *Parkland Kinsmen*

I am Tyler Hall, and I am thrilled to formally announce my candidacy for Vice Foundation Chair.

As a proud member of the Parkland Kinsmen and a farmer near Mortlach, SK, my roots in the community run deep. Growing up as a Kin Kid, I was immersed in the values of service and community involvement, with both of my parents actively engaged in Kin activities, particularly TeleMiracle. Since joining the Parkland Kinsmen Club in 2012, I have dedicated myself to advancing our cause and have had the privilege of serving in various capacities, including three TeleMiracle committees, two years as the Zone G Foundation Rep, Treasurer of the Kinsmen Foundation, and most recently, as the TeleMiracle 48 Chair.

Throughout my five years of service on the Kinsmen Foundation board, I have honed my leadership skills and gained invaluable experience in managing the intricacies of our organization. My journey with TeleMiracle has been deeply fulfilling, and I am driven by the dream of ensuring its enduring legacy for generations to come.

If elected as Vice Foundation Chair, my vision is to build upon the strong foundation laid by our predecessors and steer the Foundation towards a future of sustained growth and impact. I am committed to nurturing the spirit of generosity and compassion that defines TeleMiracle, ensuring that it remains a beacon of hope for all those in need.

I eagerly anticipate the opportunity to connect with each of you at the upcoming Districts, where I hope to earn your support for this important role.

Together, let us continue to uphold the noble mission of Kin and propel TeleMiracle towards its next chapter of greatness.

Yours in Kin,

Tyler Hall
